2019-20 NORTHERN TERRITORY GOVERNMENT PRIORITIES

INVESTING IN THE BUSH

Deliver strategic projects to empower communities, create jobs, deliver new infrastructure, encourage investment, build strong families to strengthen regional and remote communities.

In 2019-20 we will:

- continue to invest in remote housing
- work together with Aboriginal organisations to deliver the 10 year Local Decision Making Framework
- work with Aboriginal people to develop a framework for treaty negotiations
- invest in homelands
- connect the NT by improving telecommunications and roads.

In 2019-20 our communications will be underpinned by trust, with a focus on the priorities of creating local jobs, safer communities, generational change and our regions.

GENERATIONAL CHANGE

We are committed to the highest standards, support and accountability for our children and their families. Making a difference now in the lives of children will have a positive influence on the Territory's future.

In 2019-20 we will:

- expand Child and Family Centres
- build better schools
- deliver the Early Childhood Development Plan 2018-2028, *Starting Early for a Better Future* Implementation Plan 2018-22
- expand Families as First Teachers to more locations
- expand nurse home visiting family partnerships.
- deliver better pathways for youth, by investing in initiatives that provide courts with alternate options to sentencing, including *Safe, Thriving and Connected – Generational Change for Children and Families*
- deliver stage 2 of the Indigenous Education Strategy

CREATING LOCAL JOBS

Delivering major projects, attracting investment, creating and sustaining jobs, buying local and growing tourism will boost local economies.

In 2019-20 we will:

- promote the Territory as an attractive, productive place to live, work, study, visit, research and raise a family
- implement strong buy local rules
- extend the Turbocharging tourism initiative with Turbo 2
- continue to implement the Economic Development Framework and the 10 year Infrastructure Plan
- revitalise the Darwin and Alice Springs CBD
- establish the Tennant Creek Mining Services Hub
- collaborate with local communities to support the Barkly Region's economic and social development
- establish the Katherine Logistics and Agribusiness Hub
- deliver major projects to contribute to the economic development of the Northern Territory
- deliver the Resourcing the Territory initiative
- implement the Roadmap to 50% renewable energy by 2030 policy
- invest in festivals and major events to encourage visitors
- develop the arts trail

RESTORING TRUST

We are committed to open and transparent government through sharing of information, improving legislation to protect our environment and water resources.

In 2019-20 we will:

- support the Office of the Independent Commissioner Against Corruption (ICAC)
- protect our environment and introduce the Environment Protection Bill and Regulations
- protect our water resources

SAFER COMMUNITIES

Investing in initiatives that tackle crime and its long-term causes, creating stronger and more connected communities to enhance wellbeing and keep Territorians safer.

In 2019-20 we will:

- employ more police
- tackle anti-social behaviour
- implement the Charter of Victims' Rights
- continue to implement Alcohol Reform initiatives
- improve the youth justice system
- support the Suicide Prevention Framework and develop an implementation plan
- coordinate early intervention programs for youth
